

ASSETS PROTECTION COMPANY
SECURITY AND SAFETY TRAINING CENTER
(A DIVISION OF SAUDI PETRO GAS COMPANY)

SECURITY SYSTEMS	
	<p>Digital Recording: The DVMRe Triplex combines a digital video multiplexer and a leading-edge technology digital video recorder in one unit. It records video from up to 16 cameras and single-channel audio to its internal hard drive</p>
	<p>Discreet Cameras: Ultra Line discreet cameras are styled to blend easily into any environment - so owners can maintain a friendly, comfortable atmosphere while the surveillance system provides the security they need.</p>
	<p>Cardax Door Readers: Cardax offers a variety of Door Readers utilising proximity, magstripe and smartcard technology to complement all Cardax security systems.</p>
	<p>Glassbreak & Vibration Sensors: The GE Interlogix Glass break and Vibration Sensors give reliable detection and false-alarm immunity.</p>
	<p>Motion Sensors: The GE Interlogix Motion Sensors incorporate a full line of high performance intrusion detection products</p>
